

# SPONSORSHIP OPPORTUNITY

## Summer Solstice Music & Art Festival

Summer Solstice is a FREE community festival celebrating art, music, and all things local! The one day event is scheduled for June 18, 2022 and will take place on the Riverfront in Downtown Ironton. The event is designed to showcase our talented local community and provide a day of fun on the beautiful Ohio River. Summer Solstice will feature a community yoga session, talent show, a live jazz trio, music from Corduroy Brown and The John Inghram Band, live art installations, a maker's market, food trucks & beverage service.

Initial funding for the event was provided by a generous grant from The Ohio Arts Council, but Third and Center needs your support through tax deductible donations or sponsorships to fully fund this exciting day.

Our community wins when we all work together!
